Re: John O'Keefe Motor Vehicle Homicide.

Case: 2022-112-033

1. On January 29, 2022 at approximately 6:04AM, the Canton Police Department received a 911 call for a male party, John O'Keefe discovered unresponsive outside of 34 Fairview Road. Canton Police, Fire and EMS responded to the scene. Firefighter Timothy Nuttall arrived early for his scheduled shift on January 29th due to a snow storm. Nuttall arrived at Station 1 at approximately 5:30AM. Shortly after arriving at Station 1, Canton Fire and EMS were dispatched to 34 Fairview Road for an unresponsive male discovered outside in the snow. Sgt. Bukhenik and I met with Timothy at Station 1, 99 Revere St on February 8, 2022 at 11:30AM and agreed to speak with investigators.

2. Timothy has been employed by the Canton Fire Department for two years. Prior to becoming a Canton Firefighter, Timothy spent seven years with Cataldo Ambulance service as a paramedic. Timothy was riding in the back of the responding engine and observed the weather conditions to be white out and windy from the ongoing snow storm.

3. Upon arrival Timothy observed a Canton Officer providing CPR to the victim. Timothy stated the victim was located approximately ten to twelve feet from the roadway on the front yard. Timothy was first to the victim's side from the responding Engine and observed approximately six to eight inches of snow on and around the victim. Timothy stated he observed the victim lying on the ground with facial trauma and spots of blood on the ground surrounding him. Timothy stated the victim had frozen digits, was cold to the touch and observed him to be wearing only one sneaker. While Timothy was rendering aid the victim's girlfriend, Timothy later learned to be Karen Read was praying over him. Timothy observed Karen to have blood on her face from providing mouth to mouth breaths to the victim prior to their arrival. Timothy stated while he was rendering aid he heard Karen say "I hit him" to another female on scene. The other female told Karen to be quiet.

4. Timothy assisted with securing the victim inside the ambulance and observed blood excreting from his mouth and facial trauma. After the clothing was cut off the victim, Timothy observed his right arm to be covered in deep fresh scratches. Timothy remained in the back of the Ambulance during the transport to Good Samaritan Hospital. Timothy stated paramedics removed a large amount of fluids from the victim's mouth and lungs.
